Dear Sir or Madam,

We would like to thank you for your request regarding the compliance of the regulation (EG) No. 1907/2006 (REACH) and inform you as follows:

We will comply with the requirements made by the REACH regulation in due course.

Considering that the pre-registration phase will be completed at the end of 2008 and that a final registration period will follow, it is presently impossible to make a final detailed statement.

We will keep you informed about any relevant modifications of our products due to the REACH regulation as well as their availability and the quality of the parts/products delivered to you within our business relationship. If individual cases require it, we will coordinate suitable measures with you.

With best regards
